

Are you planning to travel?

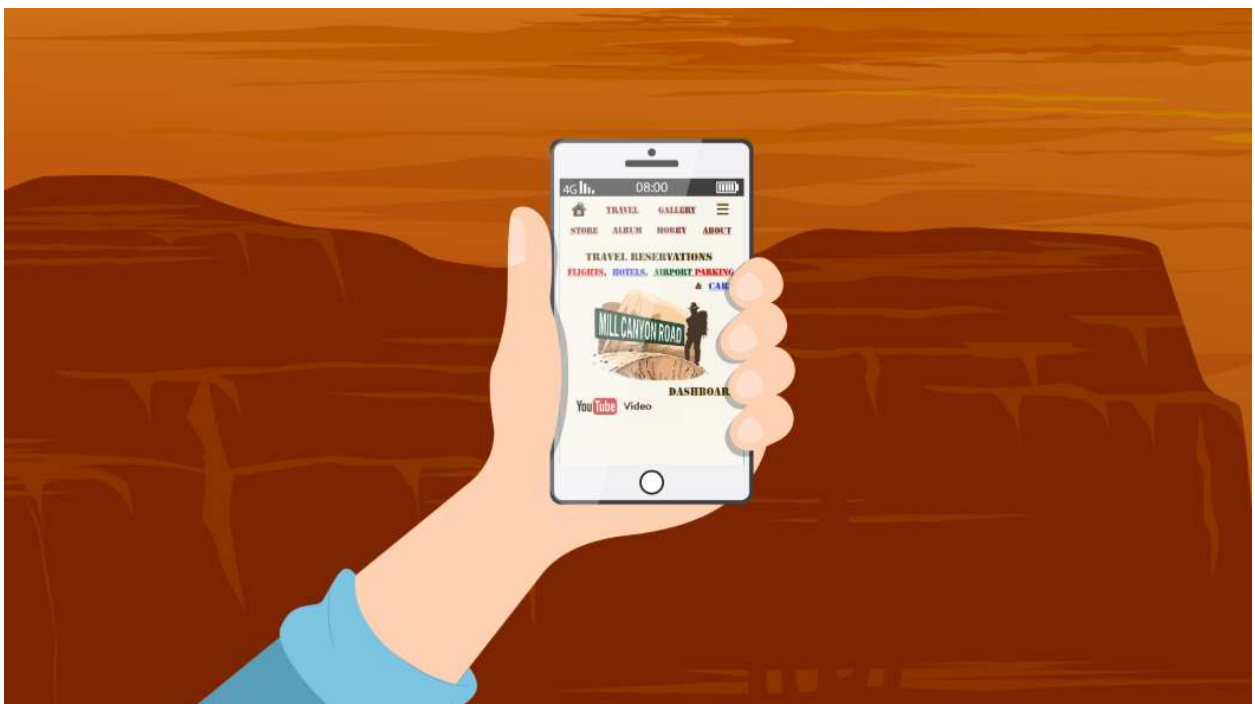

It starts right from the first time you search for tickets.

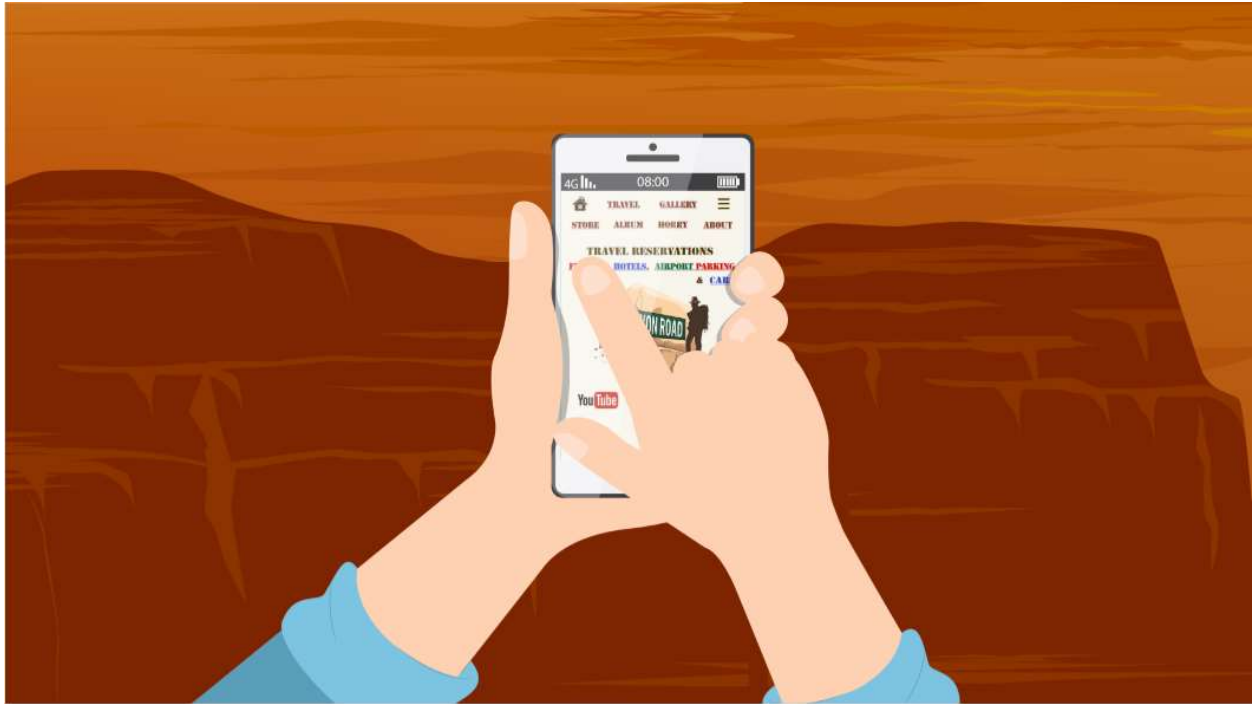

Be it hotels, cars, or airplanes ...finding the best deals that also suit your travel needs can take up a lot of time and effort.

But, not anymore!

Mill Canyon Road is a new travel booking tool for smartphone travelers that helps you keep things simpler by allowing you to get any travel services on the go...Flights... Hotels... Cars.. We have it all!

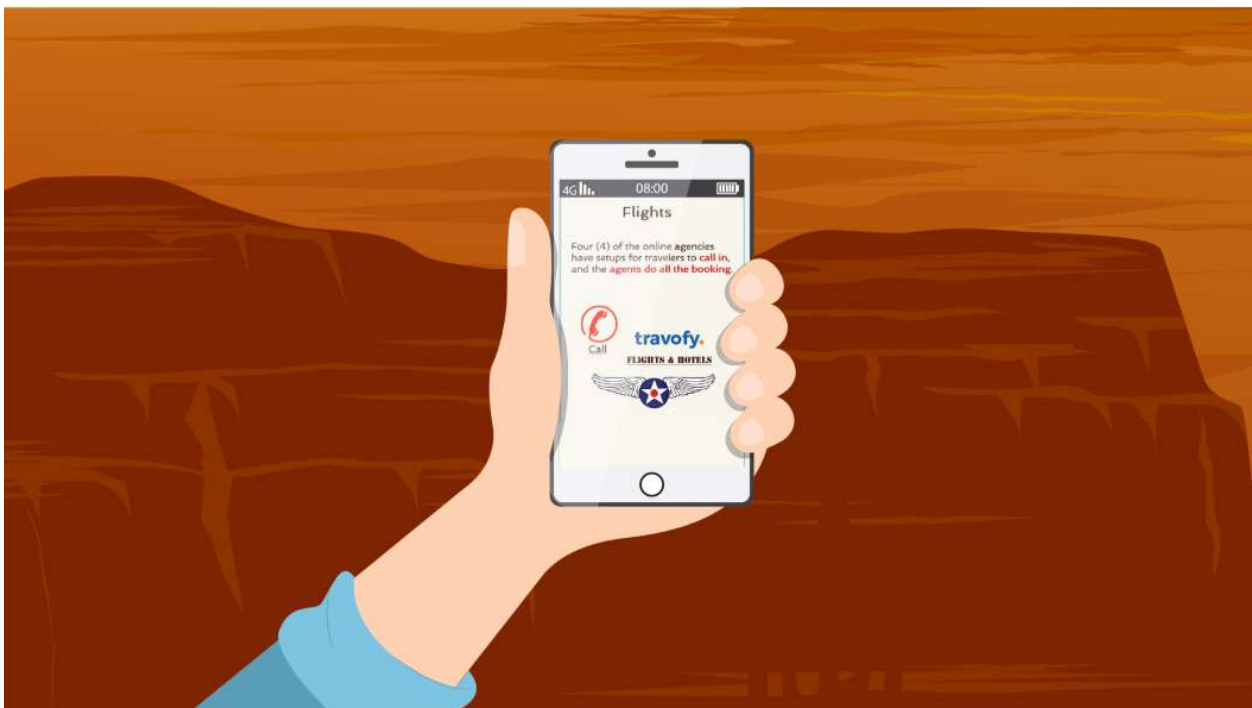

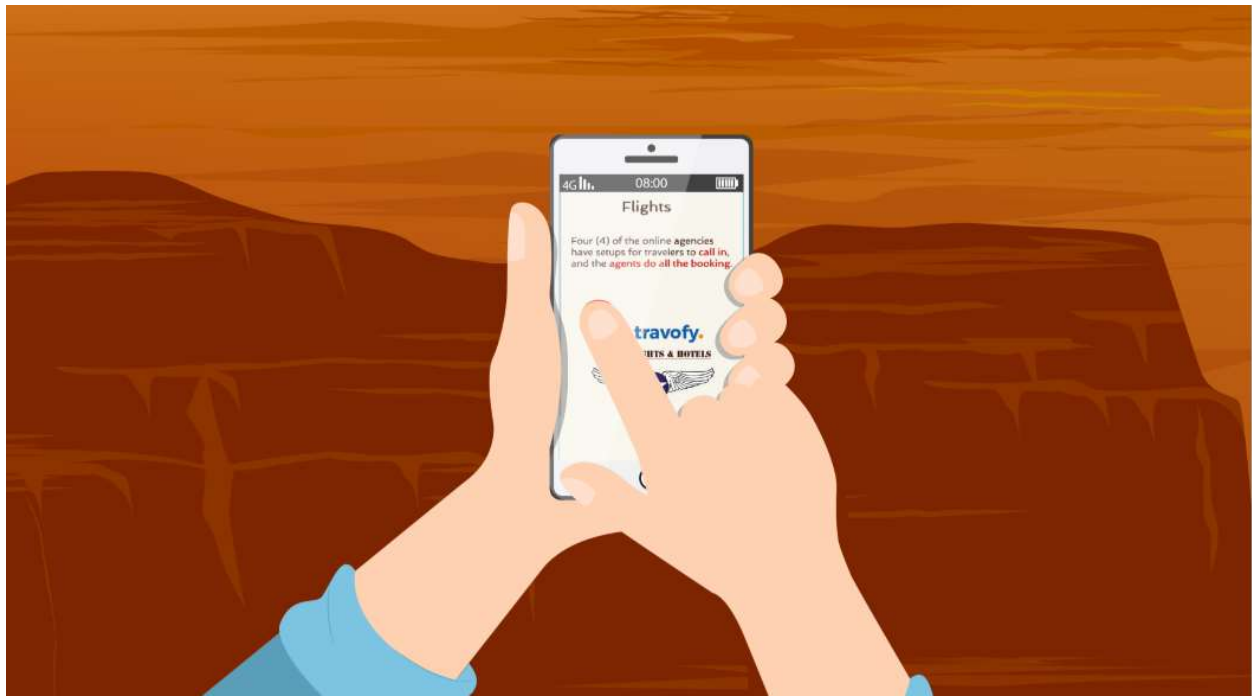

Just...

Hit that telephone button for the agency

Make a call at the displayed number

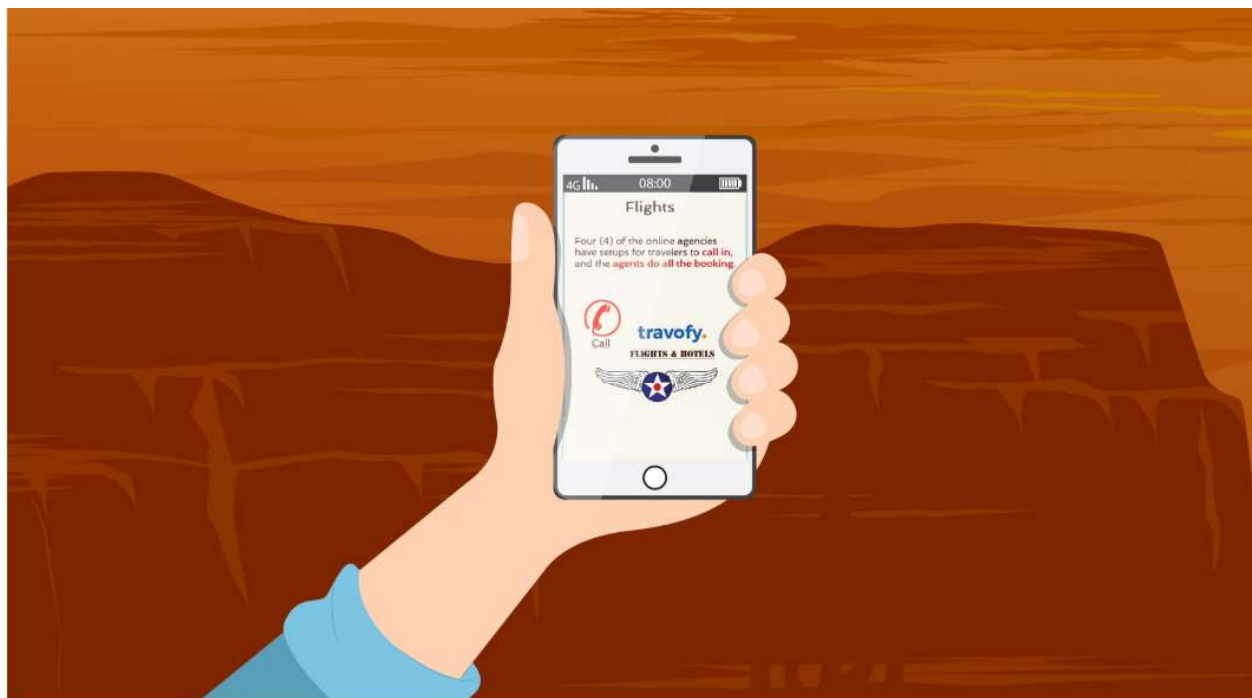

And a travel agent will book your travel services on the phone

OR

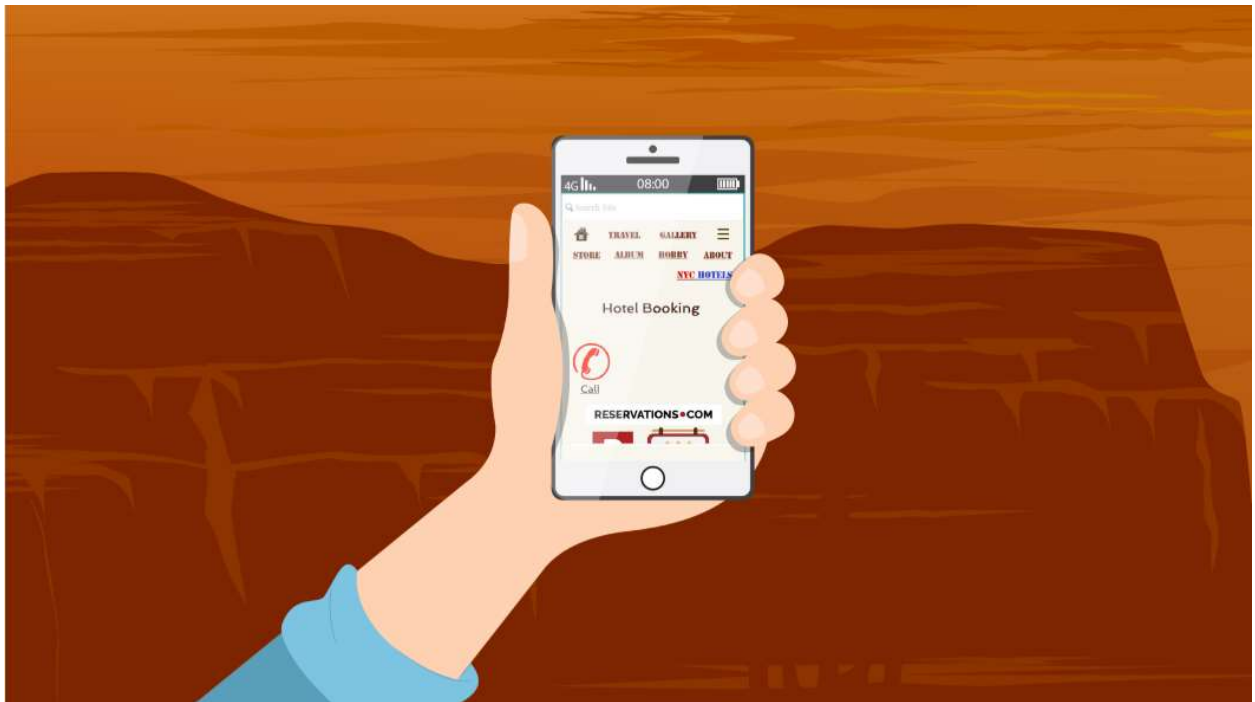

You can do the whole booking yourself if you don't want the aid of an agent!

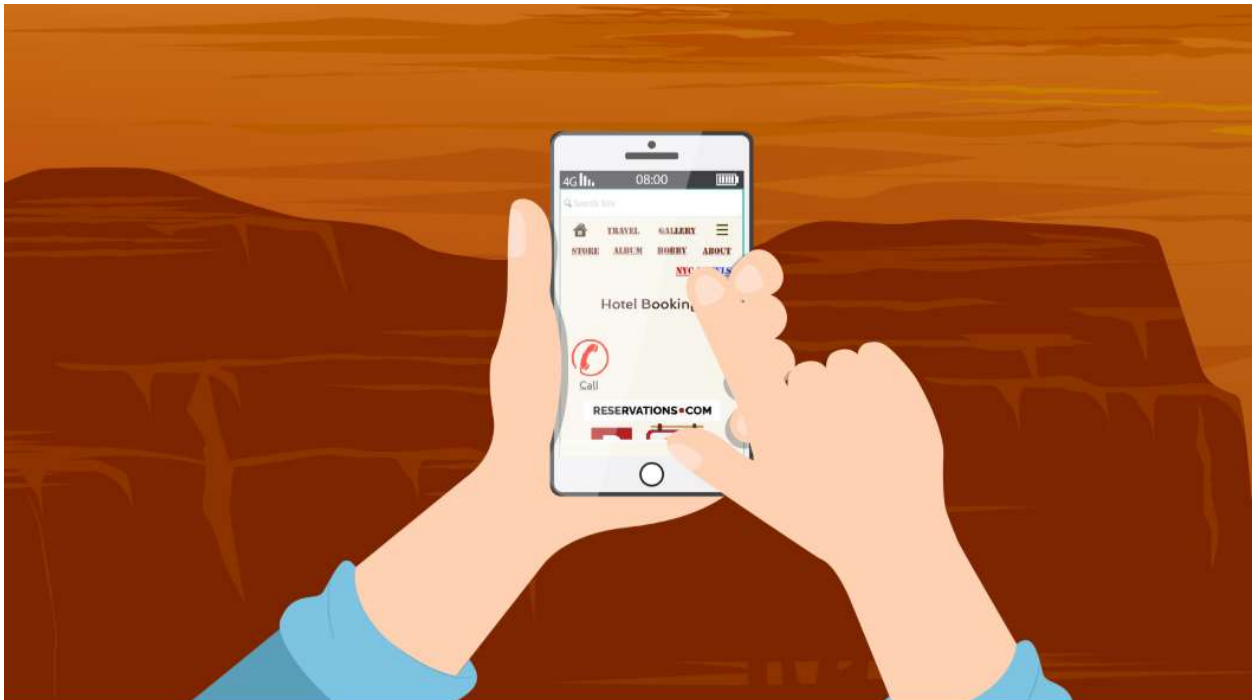

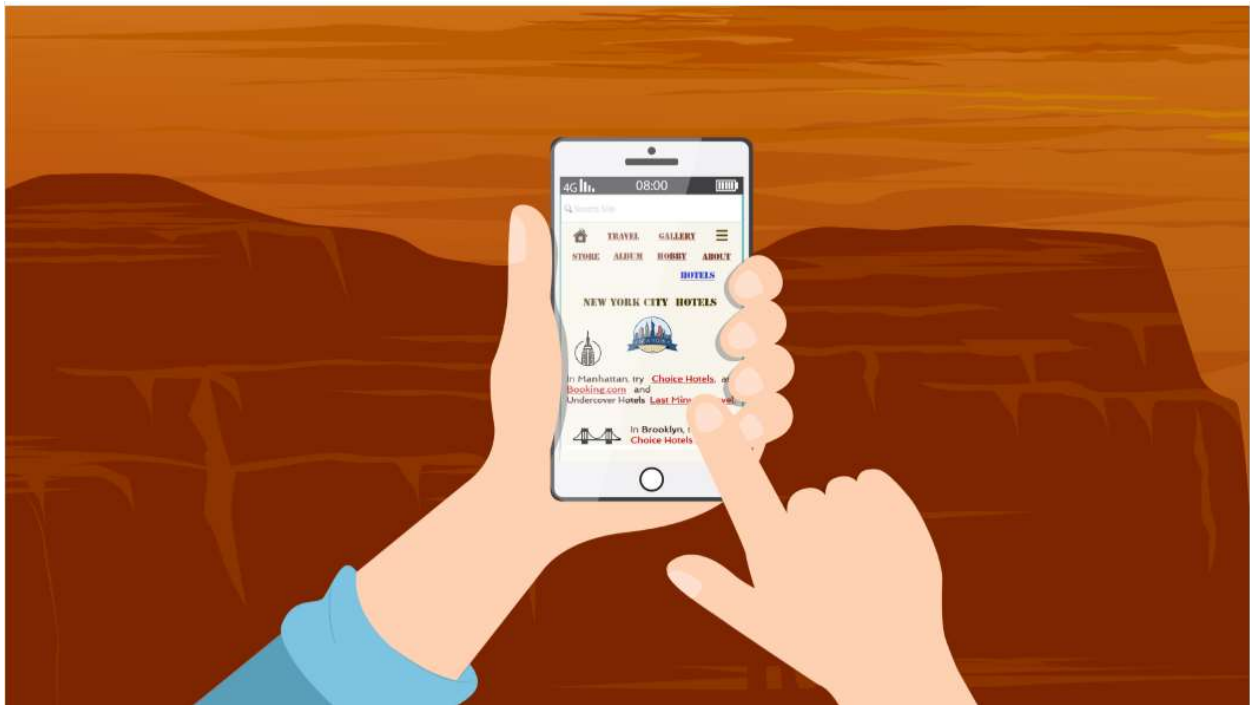

Mill Canyon Road helps you book any travel service in advance at wholesale rates, even if it's your last minute flight tickets!

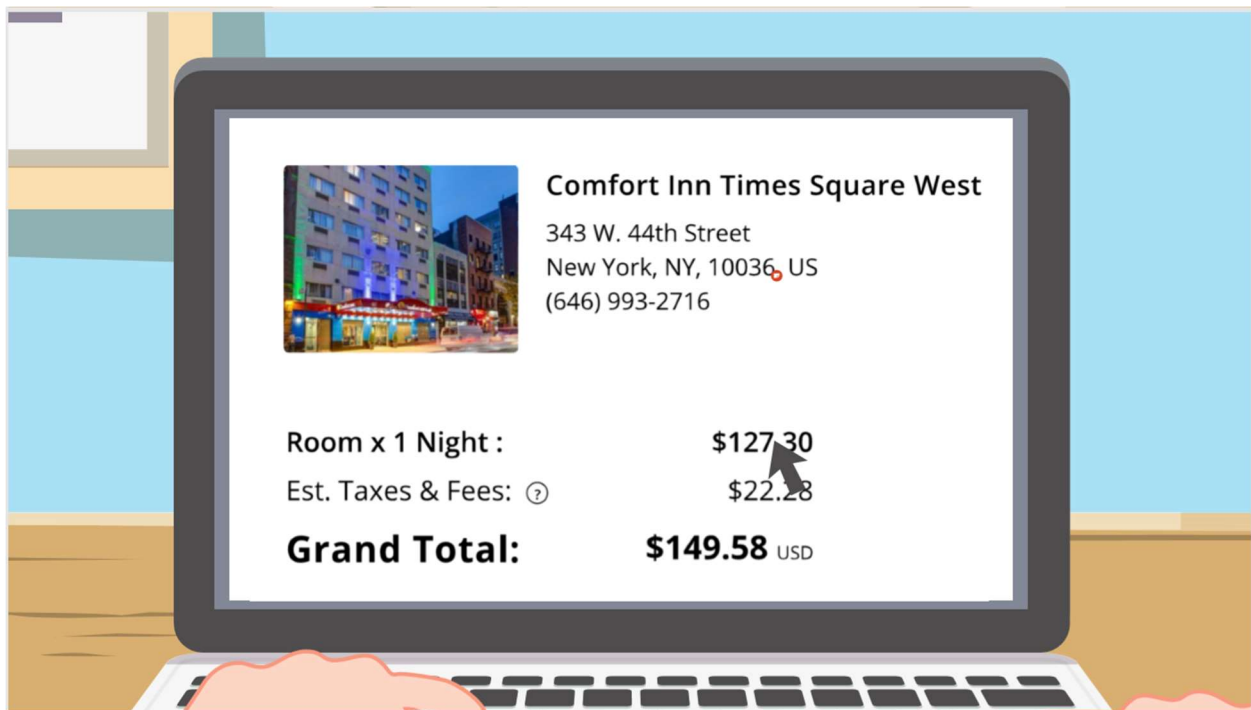

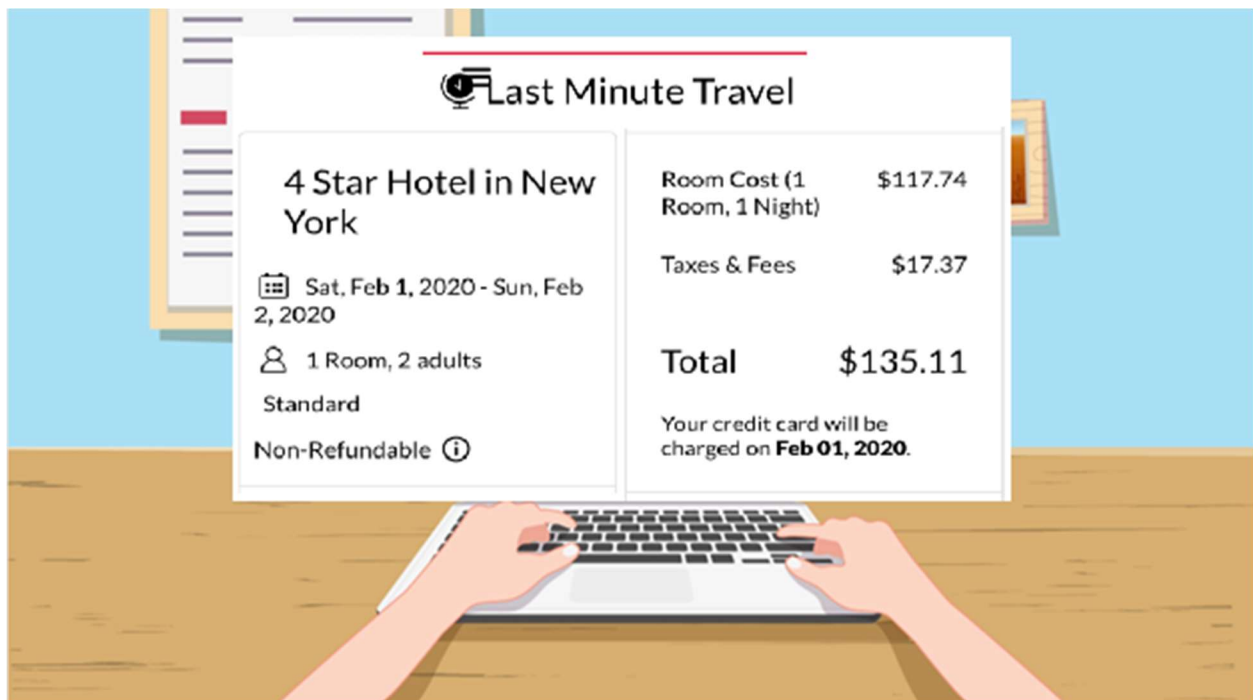

*OH YES! We make even last-minute hotel bookings in Manhattan a fun game by giving you a range of selections in **Choice Hotels***

and **L**ast **M**inute **T**ravel **U**ndercover **H**otels that will leave you elated!

The best part?

*You can also enjoy **online travel agent** wholesale rates when booking through our online booking platform Genie Traveler.*
